Kilimanjaro - Change Part of the World, etc.	Examples: BadAss Cigar Club, Art Lovers Group, Web Property Owners, Wrestlers in Business Network, MyEO Spousal Group, Dirtbike Group, Youth Exchange, etc.	Examples: SheEO, Flow Forum, Franchise Owners, Saas International, Private Duty Home Care, Real Estate/Construction Forum, etc.

“An easy and fun way to maximize your EO membership, MyEO has quickly become one of my favorite EO benefits. MyEO takes EO to the next level, offering once-in-a-lifetime experiences, specialized business or interest groups, Forums that match your business or life experiences, and more. Best of all, if there isn’t an event, group or Forum you want to engage, you can start your own and invite the EO community to join.”
